

# CAMP CARE

children with autism  
rediscovering and exploring

## GET READY FOR SUMMER FUN!

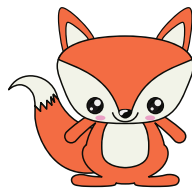

Woodview's Camp CARE provides children with an Autism Spectrum Disorder (ASD) diagnosis the opportunity to attend a fun-filled summer camp. At Camp CARE, we recognize that every child is unique. We are committed to providing the necessary supports to promote the individuality and independence of each camper. Camp days are filled with **learning opportunities, outdoor activities, and community outings.**

Our camp staff are trained in Applied Behaviour Analysis (ABA), have experience working with children with ASD, have completed Non-Violent Crisis Prevention Intervention certification and Standard First Aid & CPR.

Let the exploring begin!
