AUTISM PROGRAM WORKSHOP SERIES

Spring 2019

How to keep on track for summer (school readiness)

* webinar only

Register online:

<https://bit.ly/2laDkeg>

Join us for this **free webinar** about strategies you can use to keep your children on track in between June and September.

We will cover topics such as visual schedules, chore charts, how to structure your day and how to access community resources throughout the summer.

Tuesday, June 11, 2019 | 6:00 p.m. - 8:00 p.m.

Visual Strategies

* in-person workshop only

Wednesday, May 15, 2019

6:00 p.m. - 8:00 p.m.

3385 Harvester Road
Unit 102, Burlington

Register online:

<https://bit.ly/2OP7ZyR>

Join us for this **free in-person workshop** to learn a variety of visual options to use as antecedent, teaching, or consequence strategies. Some examples include: visual schedules, first/then boards, and task analyses.

Information will be provided on key components to include in visuals and how to utilize them across environments. There will be an opportunity to make a sample and tailor it to your child.

Must complete the pre-requisite webinars:

- Behaviour Basics <https://bit.ly/2TWiUb5>
- Antecedents & Prevention <https://bit.ly/2KfX038>
- Consequences <https://bit.ly/2KfX038>
