

HALTON AUTISM SERVICES

SCHOOL READINESS PROGRAM (AGES 0–12)

The School Readiness program is a part of the pathway of services offered through Woodview's Halton Autism Services. This program provides a bridge between Intensive Behavioural Intervention (IBI) and the Woodview Learning Centre or your child returning to their homeschool fulltime. The program offers three learning ratios to meet the learning needs of your child by providing appropriate levels of support (re-evaluated at the end of each three month block/term). Students will work on skills such as paying attention to an instructor, raising their hand to answer a question, waiting their turn to

answer a question, completing worksheets, working independently and within a group, etc. Everyday children will have the opportunity to learn through smartboard group and individual activities, independent work activities, and large and small group learning activities. Each week focuses on a new learning experience through the use of science, math, language and art activities. Each group of children are supervised by one of our Board Certified Behaviour Analyst (BCBA) Clinical Supervisors and receives instruction from our Applied Behavioural Analysis (ABA) Therapists.

SERVICE OPTIONS

- Session Blocks run for 12 weeks.
 - October to December, January to March, April to June, and July to September.
 - Half Days from 9 a.m. to 1 p.m. or 12 p.m. to 4 p.m. and Full Days 9 a.m. - 4 p.m.
