## About Us

**Woodview Mental Health and Autism Services** has been inspiring hope and strengthening lives since 1960!

We go above and beyond to support children and youth facing mental health challenges, and individuals with autism and hold them - and their families - at the centre of all we do.

We treat everyone with dignity and respect and we embrace diversity. This is reflected in how everyone feels welcomed and listened to at Woodview.

We work hard to remove barriers so that everyone can engage in services and we encourage, support, and invest in community partnerships to enhance our services.

We respond to community needs by providing quality mental health and autism services focusing on skill-building, coping strategies, relationships, independence, and resilience.

## Mission

Our mission is to provide inclusive and person-centered mental health, autism, and developmental services and supports in partnership with children, youth, adults, and families.
